About Your Spa Experience

*Our mission at Elements Spa
is to provide an experience
to balance mind, body & soul
through a healing touch
by using nature's ingredients.*

Upon Arrival

From the moment you walk in the door your experience will begin with a warm greeting as we guide you to our relaxation area. Enjoy a beverage while you relax, sample our products in our retail area, or receive a tour of our facility. We recommend arriving 15 minutes prior to your service to relax and fill out a brief intake form. Our services include a sensory journey and a foot soak to begin your experience.

Scheduling

Depending on your preference, you may request to have a male or female therapist. All of our technicians are trained to discreetly drape areas of your body not involved in the treatment and to protect your privacy at all times.

Arriving Late/Cancellations

Arriving late will simply limit the time of your treatment. Your treatment will end on time so the next guest will not be delayed. If you need to cancel your appointment, you must do so 48 hours prior to your scheduled service or you will be charged the full value.

Shaving Before A Treatment

Shaving is not recommended prior to any body treatment or hair removal service.

Food/Beverage

Spa lunches are available upon request for an additional fee at the time of reserving your appointment or upon arrival. We do not recommend consuming alcohol prior to your reservation since most of our body treatments promote circulation and detoxification.

Gratuities

Visa, Mastercard, Discover, Amex, and traveler's checks are accepted. Guests who are staying at the lodge may charge the service to their room. Gratuities of 18% are added on to each service.

Gift Certificates

Spa gift certificates are a wonderful way to give the gift of health, relaxation and beauty to the special people in your life. Gift certificates can be purchased for any dollar amount.
