HOW TO CARVE YOUR BRINLEY-O-LANTERN

• Choose the perfect pumpkin.

• Cut out the lid and remove the seeds and pulp.

• Secure template to pumpkin with tape.

• Transfer the pattern to the pumpkin by poking small holes along the black shapes with a push pin or trace with a template wheel (found in many pumpkin carving kits).

• Remove the pattern.

• Carefully carve along the dotted lines.

• Gently remove the carved pieces.

• Place candle in the bottom of the pumpkin, light and enjoy.
