

# Build-A-Den Scavenger Hunt

There are few better ways to celebrate summer than by camping and building your own wolf den (or tent). Whether you build your den inside or outside, the first step is collecting all of the necessary materials. Search your home for the items on the list below; when you find an item, take it and put it near your future campsite. Once you've completed the hunt, you'll have everything you need to start building.

**Pillows** | Or cushions—be creative and pick different sizes, shapes and colors

**Bed Sheets** | Pick different colors and patterns

**Blankets** | Pick different colors and patterns

**Chairs** | Or other sturdy pieces of furniture from which you can hang sheets and blankets

**String of Lights** | Or other small lights, like lamps

**Clothespins** | Or other clips, like binder clips

**Rope** | Or string

**Books** | Or other small, heavy items for holding sheets and blankets in place

**Flashlight**

**Sleeping Bag**

**Boxes** | Pick different sizes and shapes to furnish your den with
