**Great Wolf Lodge Grand Mound Celebrates Completion of Expansive \$40 Million Renovation**

*Beloved family resort hosts ribbon cutting to mark recent opening of new entertainment and attraction offerings, dining concepts, updated guest suites, and more*

**GRAND MOUND, Wash. – (July 9, 2024)** – Great Wolf Lodge Grand Mound celebrated the completion of a multi-million-dollar renovation today that included updates to the guest suites, water park, attractions, restaurants, conference center and more. Guests of the resort joined resort General Manager, John Taffin, and members of The Chehalis Tribe, joint owners of the Grand Mound property, for a ribbon cutting ceremony in the newly designed Grand Lobby to mark the project’s completion. This project represents the single largest and most extensive renovation in the lodge’s 16-year history.

“With the completion of our \$40 million renovation, it’s safe to say the family experience at Great Wolf Lodge Grand Mound is better than ever,” shared John Taffin, General Manager for Great Wolf Lodge Grand Mound. “We enhanced and elevated every aspect of the resort, and gave families more experiences to enjoy. I think it’s safe to say that families who visited our resort before this renovation was completed are going to be amazed when they come back.”

These enhancements can be seen the moment families enter the Grand Lobby, which features a more modern look and feel and a fantastical new lobby show called **Legend of Luna**. The Legend of Luna show is a new nightly experience that immerses guests into the story -- visually, acoustically and physical elements like falling snow. Just off the lobby, a new family-friendly buffet restaurant called **Timbers Tables & Kitchen** opened as a complement to new full-service restaurant, **Fireside**, which offers a more elevated dining experience.

And that just scratches the surface, here are some of the other new experiences available to guests at Great Wolf Lodge Grand Mound:

**New Retail & Attractions**

Great Wolf Lodge Grand Mound upgraded to the latest version of its live-action **MagiQuest** game, where players collect magical items, learn powerful Runes and level up to become a Master Magi. The newest version of the game includes new graphics, a new story, new characters, all new theming, and a massive, interactive Source Tree located near the newly renovated MagiQuest retail store.

Guests looking for even more competitive family fun will find it at the popular **Northern Lights Arcade** attraction, which added 1,000 square-feet of the newest and best games and an expanded prize section – giving families new reasons to play together and win together.

The lodge also added brand-new retail outlets, featuring the newly renovated **Buckhorn Exchange Gift Shop**. It offers all the best souvenirs and clothing—as well as the latest **Build-A-Bear** store and **Candy Company**. Inside of the water park, a new **Paddle Bay Outfitters** offers everything from goggles and floaties to bathing suits, so guests never have to leave the lodge for any swim necessities.

## Water Park

Upon entering the Great Geyser Water Park, families will notice newly renovated restrooms and locker rooms with more space to shower and store belongings worry-free during a day of play in the water park. The **Cub Paw Pool** and **Whooping Hollow** attractions – areas of the water park that are popular for families with toddlers – also were refreshed to include new theming elements and water features.

## New Restaurants

There are more culinary options than ever before at Great Wolf Lodge Grand Mound as the resort has introduced two new full-service restaurants, **Timbers Tables & Kitchen** and **Fireside**. Timbers Tables & Kitchen offers something to satisfy every culinary craving with a buffet of sweet and savory breakfast offerings in the morning and transforming into a full-service restaurant for dinner. Fireside will be the resort's new full-service restaurant offering elevated cuisine inspired by outdoor family cookouts at the grill or campfire. Open for breakfast, lunch and dinner, Fireside will offer a menu of mouth-watering dishes that are sure to delight the taste buds.

Great Wolf Lodge Grand Mound also added multiple new quick service eateries including **Fatburger**, the popular burger brand that offers big, juicy custom-built burgers, fries and shakes. Other additions include **Buffalo's Express**, known for its chicken wings and tenders, and **Hot Dog on a Stick**, which serves handheld treats ranging from its namesake Hot Dog on a Stick to funnel cake sticks and its iconic hand-stomped lemonade. The lodge also introduced **Pretzelmaker**, featuring fresh-baked, hand-rolled Pretzel Bites, scratch-made breakfast sandwiches, smoothies, and all-natural lemonade.

These new restaurants complement a total refresh of the resorts other eateries including **Freshwoods Market**, a favorite for ready-to-go meals, snacks, and beverages, and the introduction of a new ice cream shop called **Woods End Creamery**. Near the entrance to the water park, Great Wolf Lodge quick service staples **Hungry As A Wolf**, featuring pizza, pasta and salads.

All the guest suites at Great Wolf Lodge Grand Mound received an incredible refurbishment, with all-new furniture, mattresses, flooring, and more. The rooms feature the latest Great Wolf design elements including new sleeper sofas, and themed rooms infused with character art from *The Great Wolf Pack* animated film.
